

TUSC & PINE
1. Identification of the Preparation and of The Company

Product Name and/or code:	Tusc & Pine™ Oil Paint Various Colors 40 ML & 150 ML
Effective Date:	23-Dec-23
Manufacturer:	MG Art Products, LLC 6022 Lois Lane Archdale, NC 27263
Website Address	www.mgartproducts.com
Information Contact:	Tel: 1-336-861-8584 info@mgartproducts.com
Emergency Response Service:	ChemTel Inc. 1305 North Florida Avenue Tampa, FL 33602 USA 813-248-0573 www.chemtelinc.com
Contact Number:	MIS4299042
Within the United States, Canada, Puerto Rico, and the U.S. Virgin Islands:	1-800-255-3924
Emergency Contact (Health) :	For health emergencies call the Poison Control Center: 1-800-222-1222
Product Use:	ART MATERIAL - CONSUMER PRODUCT. Artist oil paint. For application artist palette knife and paint brush. Not intended for spray application, sanding, or other operations which generate dust or airborne concentrations.

2. Hazards Identification
Emergency Overview
Non-Hazardous
Classification of the Product:
Label Elements

Hazard Pictograms

Signal Word

Hazard Statement

Precaution Statement:

Children's Statement

NFPA
HMIS
Conforms to ASTM D-4236 (USA)

No pictograms are required for the mixture.

No signal word is required.

This product is non-hazardous, thus no specific hazard warning is required.

Wash thoroughly after handling. To avoid spontaneous combustion during temporary storage, soak soiled rags and waste immediately after use in a water-filled, closed metal container.

KEEP OUT OF THE REACH OF CHILDREN.

Health: 0

Flammability: 0

Reactivity : 0

Health : 0

None known for this mixture.

TUSC & PINE
Respiratory and Ventilation

Wear approved NIOSH/MSHA respirator if exposure to mist or vapor exceed applicable PEL/TLV limits. Use in accordance with manufacturer's use limitations and OSHA STANDARD 1910-34. Local ventilation may be used to prevent routine inhalation.

Skin Protection

Wear water resistant impervious gloves if handling bulk amounts.

Eye Protection

Wear goggles where spills or splashing may occur.

9. Physical and Chemical Properties

Appearance	Paste
Physical State	Thick liquid
Color	Various
Odor	Not determined
Odor Threshold	Not determined
Boiling Point	Not determined
Freezing Point	Not determined
State (pH)	Not Applicable
Specific Gravity	Not determined
Viscosity	Paste
Flashpoint	Not flammable
Vapor Pressure	Not applicable
Vapor Density	Not applicable
Solubility in water	Miscible

10. Stability and Reactivity

Reactivity:	No dangerous reaction known under conditions of normal use. Spontaneous combustion can occur in oil soaked rags and other materials containing oil and exposed to air.
Chemical Stability	Stable under recommended storage conditions.
Conditions to Avoid	None known.
Incompatible materials	None known.
Hazardous Decomposition Products	No dangerous decomposition products known. Decomposition products depend on conditions.

11. Toxicological Information

Studies have not been performed on this particular mixture (all colors). The information below is based on data on the individual hazardous ingredient.

When used and handled according to specifications, the product is not expected to have any harmful effects.

Health Effects	None known for the usual and ordinary uses of this product.
Acute Toxicity	None known for this product.
Eye Effects	None known for this product.
Skin Effects	None known for this product.
Inhalation	None known for this product.
Sensitization	None known for this product.
Ingestion	None known for this product.

TUSC & PINE

Chronic Effects

Additional toxicological information:

None known for the usual and ordinary uses of this product.

When used and handled according to specifications, the product is not expected to have any harmful effects according to past experience and the information provided.

NTP

Not applicable to product.

IARC

Not applicable to product.

ACGIH

Not applicable to product.

OSHA

Not applicable to product.

12. Ecological Information

Toxicity:

Not expected to be harmful to the environment. No product should be released to the environment. It is not expected to have significant environmental effects. No significant effects on aquatic organisms are expected.

Aquatic toxicity

No information available.

Persistence and degradability

No information available.

Bioaccumulate potential

No information available.

Mobility in soil

No information available.

Additional ecological information

As a general rule, no product should be released to the environment. The product should not be allowed to enter drains, water courses, or be deposited where it can affect ground or surface water.

13. Disposal Considerations

Dispose of all waste material in accordance with all applicable federal, state and local regulations. Handle with care.

14. Transport Information

This product is not hazardous for shipping via any mode.

Art Material - CONSUMER PRODUCT
DOT

This regulation does not apply to the non-bulk material.

IMDG

This regulation does not apply to the non-bulk material.

ICAO/IATA

This regulation does not apply to the non-bulk material.

This information is not intended to convey all specific regulatory or operational requirements/information relating to this product. It is the responsibility of the transporting organization to follow all applicable laws, regulations and rules relating to the transportation of the materials.

15. Regulatory Information

Safety, health and environmental regulations/legislation specific for the substance or mixture.

SARA

Not applicable to this mixture.

Section 313 (specific toxic chemical listing)

Not applicable to this mixture.

TSCA (Toxic Substance Control Act)

All ingredients are listed.

TUSC & PINE

California Proposition 65 (Colors containing Prop 65)

⚠ WARNING: This product can expose you to chemicals including trace heavy metals, 1,4 dioxane, 3,3-dichlorobenzidine, diethanolamine, ethylene oxide, polychlorinated biphenyl, hexachlorobenzene, naphthalene, antimony oxide which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

⚠ WARNING: This product can expose you to chemicals including trace heavy metals, ethylene oxide, polychlorinated biphenyl, hexachlorobenzene, trace methanol, which are known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

California Proposition 65 (Colors not containing Prop 65)

As of December 23, 2023 this product contains no listed substances known to the State of California to cause cancer, birth defects or other reproductive harm, at concentrations which would require a warning under the statute.

Carcinogenicity categories
EPA (Environmental Protection Agency)

Not applicable to this mixture.
Not applicable to this mixture.

TLV (Threshold Limit Value established by ACGIH)

Not applicable to this mixture.

NIOSH (National Institute for Occupational Safety & Health)

Not applicable to this mixture.

OSHA (Occupational Safety & Health Administration)

Not applicable to this mixture.

16. Other Information

Reason for Issue:

New GHS SDS

The information contained in this Safety Data Sheet was compiled using the latest and most reliable information available to the preparer from the manufacturer. The information is provided without any warranty, express or implied regarding its correctness or accuracy nor will the manufacturer assume any liability for any loss or damage arising out of the use of this information including without limitation direct or indirect losses or expenses. To the extent permitted by law, no warranty expressed or implied regarding the product described herein shall be created by or inferred from any state or omission for this SDS. It is solely the responsibility of the user to determine safe conditions for use of this product and to assume liability for any loss, damage or expense whatsoever arising out of the product's improper use.

TUSC & PINE

Abbreviations and acronyms:

NFPA (SCALE 0-4) National Fire Protection**Association (USA)**

Health: 0

No unusual hazard.

Fire: 0

No combustible.

Reactivity: 0

Not reactive when mixed with water.

HMIS (SCALE 0-4) Hazardous Materials**Identification System (USA)**

Health: 0

Minimal Hazard. No significant risk to health.

Fire: 0

Minimal Hazard. Materials that will not burn.

Physical Hazard: 0

Minimal Hazard. Materials that are normally stable, even under fire conditions, and will NOT react with water, polymerize, decompose, condense, or self-react. Non-explosives.
